 - Thursday, November 9

 - All meetings will be at Stoll Berne, 209 SW Oak Street, Suite 500.

 - Subcommittee Assignments/Discussion:
 - The committee opted to preserve the three subcommittees as they currently stand:
 - Law school presentations—presentation scheduled at Willamette for late March.
 - Work/life balance—broad scope, can and should include any QOL practices we envision being relevant to members of the bar.
 - Publications/social media
 - Social media committee has had trouble accessing accounts.
 - Michael to assist with that problem.
 - Michael will circulate e-mail asking all committee members to state their subcommittee preferences. Subcommittees should plan to meet during months in which there is no full committee meeting.
 - Michael will also ask all members to state their memberships in other groups and access to social meeting platforms for use in distributing information about QOL committee events.

- Next meeting: Thursday, February 23d.

- Adjourned at 12:48.
