I. Welcome and Introductions

Chair started meeting at 12:05pm, with members present and the telephone. Members introduced themselves. Quorum was met. Minutes for February 12, 2015 approved.

II. Minutes

Approved with quorum.

III. Chair's Report

a. Sub-committee

i. Law School Presentation

1. Got update from Michael Turner. Each member will be making contact with each law school to schedule future presentations.
2. Adina gave update on Transitions of Law. Discuss a possible to monthly happy hour type roundtable. OAAP does a monthly brown bag luncheon, but we could do something that is more focused on relationship building. Adina would like members us to email her names of some attorneys that have stories to share. Adina's email is adina.r.flynn@ampf.com.

3. Work and life balance: There were ideas about articles. See report. Suggestion for books and links about lawyer transitions.
 4. We did not get a report from the publications and media committee since Eva was not present and it did not appear that we had any one from that committee present.
- b. Ruben discussed that his article is almost ready. He was unsure whether the article should be forwarded to the publications committee before OSB when finished. The committee seemed to agree that first draft of article should go to the publications committee before it gets forwarded to the publication for editing.
 - c. June 11, 2015 will be the next full meeting.

IV. Adjourn

Meeting adjourned at 12:37pm.
